

COMIC DISTRO

Comic Book Distribution Platform

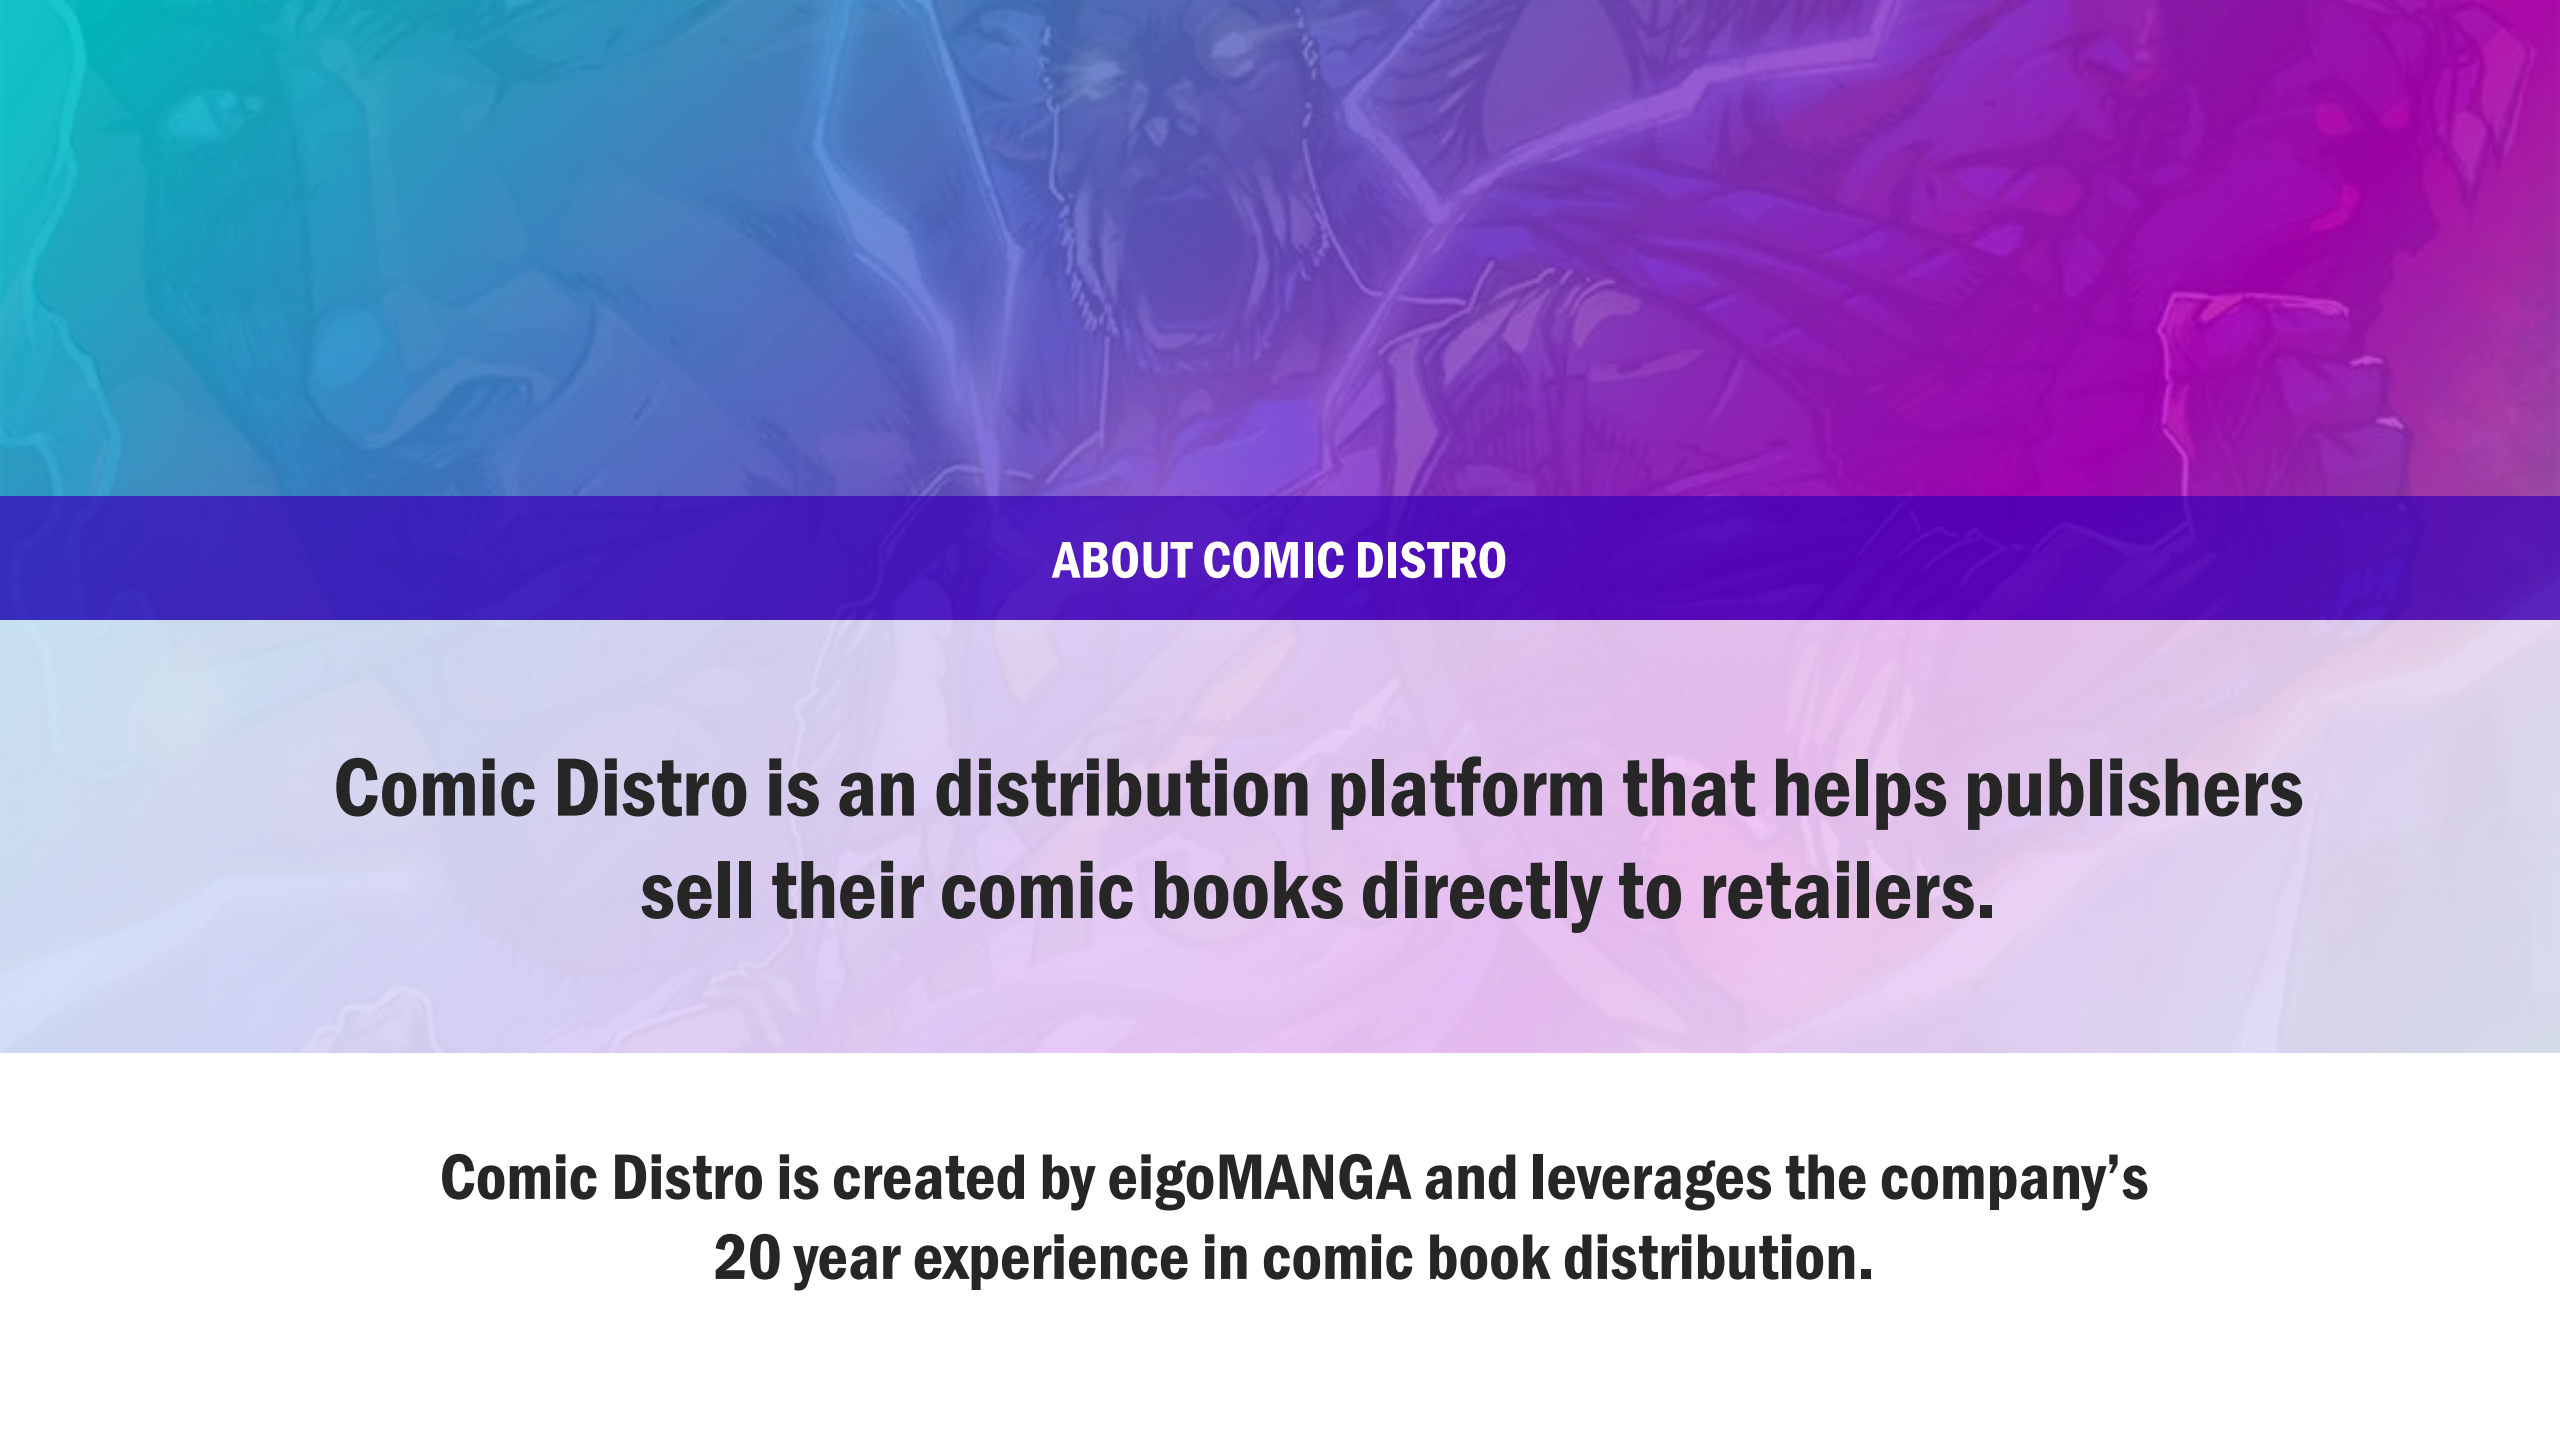

Strike Guard / Spoof Comics

The background is a collage of comic book panels. A large, semi-transparent purple rectangle is centered over the image, containing the text. The comic art features various characters, including a character with glowing yellow eyes and another with a large, open mouth showing red and white. The overall style is dynamic and colorful.

**We aim to democratize the business of comic book distribution
for everyone.**
